President's Message

Registration for the Price Symposium went at a record pace during August. Pre-registration and field trip registration deadline is September 12. You may also register for the conference at the door on Saturday morning, September 24.

Notice of field trip meeting times and places shall be sent out during the week of September 12. If you do not receive a field trip notification by September 17, please check your spam folder, and if not there, contact me at allenjeffrey@beyondbb.com.

The Friday and Monday Range Creek field trips filled within days. I am happy to announce that we are able to offer a Tuesday Range Creek field trip, and as of August 27, we have ten spaces left.

The following field trips are open: #3 (Wildhorse, Farnsworth and Ekker Wash); #9 (Nine Mile Canyon-Willis); #13 (Nine Mile Canyon-Miller); #16 (Rochester Creek, Moore-Cut-off, Buckhorn Wash, and Head of Sinbad); #17 Base of Cedar Mountain, Old Spanish Trail, and Railway History); #20 Mussentuchit, Head of Sinbad, Fox in the Box, Swazy Cabin; and a new offering, #22 (Rochester Creek, Moore Cut-off, Ascending Sheep). All other trips are full.

On Thursday evening, from 6 to 8 pm, there will be an opening reception co-sponsored by the Nine Mile Canyon Coalition at the CEU/USU Museum on Main Street in downtown Price. (See map in this issue). This is a great opportunity to meet friends and to see the opening of Francois Gohier's new exhibit of Southwestern rock art photographs.

On Friday evening, plan to attend the watermelon social at Washington park in downtown Price from 6 to 8 pm (see map in this issue).

Our banquet and live auction will be held Saturday night at the Price Events Center from 6 to 8 pm. See Carol Garner's article in this issue.

September 2011

On Sunday evening, stop by Washington Park for an informal gathering of rock art friends.

If you are interested in one of the many jobs at the symposium, such as registration, field trip information, and assisting serving food during the breaks, please contact Barbara Bergman at bergperson@bajabb.com. Let's all have a great time!

2011 URARA President

Request for Auction Donations and Helpers

By Carol Garner

With the symposium in Price just a few weeks away, it's time to think about what you can donate to the annual fundraising auction. Dell Crandall and Larry Evans have agreed to continue in their roles as auctioneers (and comedians), and I'm going help organize donations for the live and silent portions of the event.

If you have books, art objects, or any rock art related items that you'd be willing to donate, please let me know at gypsicholar@aol.com. If you can donate some time to helping to set up the silent auction first thing Saturday morning or help to mark bid sheets and take payments at the end of the afternoon, let me know what time works best for you.

As you know, this is URARA's main fundraising event, so it is important to us all that it be a success. All help is deeply appreciated.

Lodging and Camping in Price

Be sure to make motel reservations well in advance. Camping is available at the Carbon County Events Center parking lot. You may set up in the parking lots southeast of the center. There are restrooms close by that will be open for campers. Camping is free.
